How to Find Films with Closed Captioning

Created on May 29 2013 10:28 AM

To find films with closed captioning:

1. Click the **Advanced Search** link below the search box in the header.
2. In the Advanced Search box, select the checkbox **Show only On Demand closed-captioned programs**.
3. To further refine your search, enter a search term in the Advanced Search box and/or select additional Advanced Search options.
4. Click the Search button at the bottom of the screen.
